OXFORD CLIMATE ALUMNI NETWORK

OVERVIEW

The Oxford Climate Alumni Network (OxCAN) is the climate-focused alumni network of the University of Oxford and a UK-registered charity. We bring together the unique skills and global reach of the University of Oxford's alumni, staff, and students to accelerate progress on solving the climate crisis.

VISION & MISSION

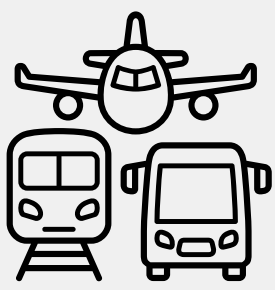
OxCAN's vision is a thriving planet where the earth's climate is in balance, ecosystems flourish, and environmental justice is a reality for communities across the globe. Our mission is to build a vibrant ecosystem of change-makers to drive transformative and equitable solutions to climate change and biodiversity loss, in collaboration with the University of Oxford.

ACTIVITIES

OxCAN is home to a rapidly-growing community of over 1,600 University of Oxford alumni worldwide, united by a shared commitment to addressing the climate and nature crises. We run a dynamic set of activities, including events, initiatives, mentorship programmes, and research outputs, in collaboration with our partners both within the University community and beyond. We are also regular participants in various multilateral climate forums. Our activities are held both in the UK and globally, as well as online. A newsletter provides accessible insight into climate science, policy, finance, and innovation, including news from across the University community.

WORKING GROUPS & REGIONAL DIRECTORATES

OxCAN's Working Groups and Regional Directorates provide opportunities for members to collaborate around shared interests, expertise, and geographies. Our Working Groups focus on themes such as Climate Justice, Transport, Finance, Climate Adaptation, and Food Security, while our Regional Directorates currently cover Africa, Asia-Pacific, Europe, and North America.



JOIN | PARTNER | DONATE

University of Oxford alumni, faculty, staff, and current students are welcome to join for free as full members of OxCAN.

Don't hesitate to reach out if you would like to partner with us on projects/initiatives/events.

OxCAN has been entirely volunteer-run since we started in 2020. All donations are very gratefully received!
